Equine Liability Release and Risk Acknowledgement

1. _____ Parties. The parties to this document are Grace Hill Ventures (hereinafter

“Grace Hill”) and _____ (hereinafter “Client”).
(print client name here)

2. _____ Apportionment of Liability. In consideration of client being allowed to attend, participate in, or observe activities sponsored or conducted by Grace Hill, or be present on the property on which Grace Hill conducts its activities, **client does agree to hold harmless and release Grace Hill, its officers, members, managers, agents, employees, representatives, assigns, affiliated organizations, insurers, and all others acting on Grace Hill’s behalf (ie. The School of Connected Riding and It’s clinicians and representatives) and the owner(s) of any horse or other property used by Grace Hill, from all claims, demands, causes of action, and legal liability, whether the same be known or unknown, anticipated or unanticipated even if due to negligence and/or other clients’ acts or omissions. Client does further agree to waive all rights which may otherwise arise from an injury to client or client’s property, and shall not bring any claims, demands, legal actions or causes of action, against Grace Hill, those persons described above, or any person or entity, for any economic or non-economic losses due to bodily injury, death, or property damage arising out of the activities of Grace Hill or client’s presence on or proximity to property used by Grace Hill.**

3. _____ Indemnity. Client agrees to be responsible for any and all damages, injuries, or loss of life caused by client or a horse in the care, custody and control of client, and to indemnify Grace Hill and all parties described above, for any losses or expenses (including attorneys’ fees) which they incur in connection with claims related to client.

4. _____ Risks. According to the North American Horseman’s Association, numerous obvious and non-obvious inherent risks are always present in horseback riding and being around horses, despite all safety precautions. No horse is a completely safe horse. Horses are 5 to 15 times larger, 20 to 40 times more powerful and 3 to 4 times faster than a human. If a client falls from a horse to the ground, it will generally be at a distance of 3 to 5 feet, and the impact may result in injury to the client. If a horse is frightened or provoked, it may divert from its training and act according to its natural instincts which may include, but are not limited to: stopping short, changing direction or speed at will, shifting its weight from side to side, bucking, rearing, biting, kicking or running from danger. These risks exist for any person around a horse, whether mounted or on the ground. Client acknowledges these risks and states that she/he is not relying on Grace Hill to advise of all the risks.

5. _____ Acknowledgments and Assumption of Risks. Client acknowledges that she/he bears responsibility for her/his own safety and client should not participate in any client activity unless she/he is confident that she/he can do so safely. Participation in equine activities with or conducted by Grace Hill constitutes a knowing and voluntary assumption of all risks associated with equine activities involving Grace Hill or being present on or using Grace Hill

property (including but not limited to inherent risks and the risk of negligence by Grace Hill or others) which is a defense under South Carolina law to any claim for injury or damage, and a bar to recovery.

6. _____ Helmet Use. Client acknowledges that wearing a properly fitted and secured client riding helmet which meets or exceeds the quality standards of the SEI Certified ASTM Standard F1163 while riding, mounting, dismounting and being near horses may reduce the severity of head injuries or prevent death occurring as the result of a fall or other occurrence. Grace Hill makes no representations as to the condition, effectiveness or suitability of any helmet it may allow client to use. All helmet related risks are assumed by Client.

7. _____ Safety Rules. Client agrees to follow such rules for safety as are attached or are subsequently provided to them or posted. Client acknowledges that failure to follow Grace Hill safety rules or the directions of Grace Hill's staff may put her/him at risk of, or increase the risk of, personal injury.

8. _____ Premises Inspection. Client has inspected the farm's premises and facilities and/or has in some other way satisfied herself/himself that the condition of the premises and the facilities will provide an adequate and reasonable level of safety for Client and any guests or visitors they bring on the premises.

9. _____ Insurance. Client certifies that she/he has adequate insurance to cover any injury or damage she/he may cause or suffer while participating, or else agrees to bear the costs of such injury or damage herself/himself. Client further certifies that she/he has no medical or physical conditions which could interfere with her/his safety in this activity, or else she/he is willing to assume – and bear the costs of – all risks that may be created, directly or indirectly, by any such condition.

10. _____ Other terms. This document states the entire agreement between the parties as to liability and may not be changed, except in writing signed by the parties. The benefits of this agreement, including the release of legal liability, waiver of rights, indemnity and covenant not to sue, are intended to benefit others, including Grace Hill's officers, directors, shareholders, members, managers, agents, employees, representatives, assigns, affiliated organizations, insurers, and all others acting on Grace Hill's behalf and the owner(s) of any horse or other property used by Grace Hill. This agreement shall be binding upon Grace Hill, client, and client's heirs or estate, when signed by the parties. If any clause, phrase or work is in conflict with State Law then that single part is null and void. This agreement and acknowledgements shall remain in force until terminated by client through written notice to Grace Hill at the address above. The General Court of Justice, Spartanburg County, South Carolina, shall be the exclusive venue for any litigation between client and the parties described above.

WARNING. UNDER SOUTH CAROLINA LAW, AN EQUINE ACTIVITY SPONSOR OR EQUINE PROFESSIONAL IS NOT LIABLE FOR AN INJURY TO OR THE DEATH OF A PARTICIPANT IN AN EQUINE ACTIVITY RESULTING FROM AN INHERENT RISK OF EQUINE ACTIVITY, PURSUANT TO ARTICLE 7, CHAPTER 9 OF TITLE 47, CODE OF LAWS OF SOUTH CAROLINA, 1976.
